## MEMORANDUM OF UNDERSTANDING

### 1. The Partners:

(i) The Art of Living (hereinafter referred to as "TAOL"), having its office at The Art Of Living International Centre, 21st km Kanakapura main road, Udayapura, Bengaluru, Karnataka - 560082, represented through its Authorised Signatory: **Shri. Rajeev Nambiar** (Director, Institutional Programs, The Art of Living)

And

(ii) S. S. S. College of Education, Nanded (hereinafter referred to as "SSSCE"), having its office at Sahayog Sevabhavi Sanstha's Sahayog Educational Campus, Vishnupuri, Nanded-431 606. (Maharashtra), represented through its Authorised Signatory: **Dr. Balaji G. Girgaonkar** (Principal)

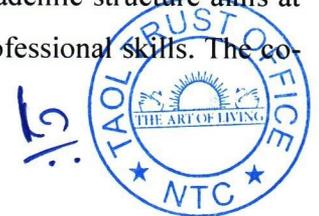

**(Hereinafter called as Partners)**

### 2. Preamble:

The Art of Living (TAOL) is a charitable trust bringing in transformation in India through The Art of Living Training Programs and implementing a broad range of service projects to uplift and empower individuals, families, and communities so that the full potential of human life can be expressed.

The various institutional training programs of the Art of Living are globally recognised to equip and empower both students, faculty and staff with necessary tools and techniques for all round excellence. The training programs for students and faculty are both designed and customised to cater to the specific issues faced by each. The training programs help individuals to build life skills, leadership skills, communication skills, human values, interpersonal and behavioural competencies through practical, interactive and simple yet highly effective methods which draw upon ancient timeless wisdom. The appeal of the Training program cuts across barriers of all religion, nationality, caste, gender or socio-economic status.

The S. S. S. College of Education is one of the institutes being run by Sahayog Sevabhi Sanstha in its Sahayog Educational Campus. Sahayog Educational Campus, Vishnupuri, Nanded has been a crucial platform in career building of thousands of students. Reputed for its high standards in Engineering, Pharmacy, Management Sciences, Computational Sciences, Paramedical, Nursing, Educational Studies, Primary, Secondary and higher secondary school, the Campus is continuously attracting most of the major recruiters in its placement drive. The student centric academic structure aims at overall development of the students and also in developing outstanding professional skills. The co-

curricular and extra-curricular activities develop versatile students who actively contribute a lot in their professional and social life.

### 3. The Objective:

The 'Partners', decided that it was mutually beneficial to have a formal understanding between them in sensitizing the students, faculty and staff of the SSSCE about The Art of Living Training Programs.

The purpose of education is to prepare a person for life. To an experienced educationist, it is a well-known fact that the age group of 18-30 years is extremely crucial. This is the age where issues of career, relationships, peer/parental pressures, and anxiety about the future all come to the fore simultaneously. For youth bogged down by these issues, academic/professional performance and development to their full potential suffers. Nowhere, neither at home nor at school, have we been taught how to deal with our stress and negative emotions.

WHO defines Life Skills as 'the abilities for adaptive and positive behaviour that enable individuals to deal effectively with the demand and changes of everyday life.' The Art of Living programs are specially designed to develop the Knowledge Aspects which the New Education Policy (NEP) 2020 refers to as "liberal arts" – soft skills such as communication, discussion, debate, teamwork, social and moral awareness.

This partnership between TAOL and SSSCE aims to train students in the above knowledge aspects of "Liberal Arts" to give students a holistic, multi-disciplinary & value-based education via TAOL's tried and tested student development programs to develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner.

i) **Programs offered by TAOL:** Life Skills Training (LIST) Program for students aged 18+

ii) **Program Content:**

- Social Responsibility and Global Citizenship
- Well Being (restore sleep, appetite - circadian rhythm of the body)

5/1

Both the partners have thus arrived at an understanding as indicated below:

#### 4. Details of Understanding:

DELNET/MEM/IM-9699/mhSSSCEN/Best Practices/2023

March 7, 2023

**Sub : DELNET Best Practices for Data Sharing and Accessibility among Member-Libraries  
— Request to Contribute Library Records for DELNET Discovery Portal**

Dear Mr. Kiran,

I take pleasure in informing you that DELNET has recently launched an initiative "DELNET Best Practices for Data Sharing and Accessibility" among the member-libraries. It will significantly contribute in enhancing information sharing and accessibility of library resources among the users of the member-institutions and would further promote the contributions of libraries for making a Digital India. Data Sharing is one of the most important ways to promote equitable access to information by the students, faculty, researchers and scholarly community. It also leads to an extensive and optimum use of library resources for the benefit of users for their academic, research and reference purposes.

We are very much thankful and appreciative of Sahayog Sevabhavi Sanstha College of Education, Vishnupuri, Dist. Nanded, Maharashtra being one of our esteemed member institution. We would like to request you to kindly contribute the bibliographic records of books, journals, articles, etc. created in your library conforming to the conditions and guidelines of DELNET MOU. Please send us the exported records in excel or MARC format.

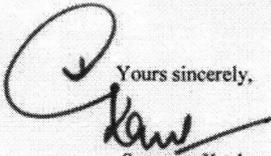

I would like to reiterate the fact that by sharing your library records with DELNET, your institutional library will derive the following benefits:-

1. Your Library resources will become accessible to users and researchers worldwide among the member-libraries of DELNET. Your institutional library will get more visibility and recognition and it will empower your library.
2. Your own users can access your library records through the Web apart from accessing more than 3.5 crore records of other member-libraries. This is beneficial as it enables the users to browse through their own library resources present in DELNET Discovery Portal as the data of each library is assigned a specific location code.
3. A backup copy of contributed records of your library becomes available with DELNET. In case of any crisis like software failure, at your end the backup copy of records can always be taken by your Institution from DELNET.
4. DELNET will be glad to provide "Certificate of Appreciation" for promoting "DELNET Best Practices - Data Sharing and Accessibility" to Member-Libraries for their contributions from time to time. Also Annual Awards will be given to the Best Data Contributing Member-Libraries for their active participation in knowledge sharing activities.
5. The accreditation bodies like NAAC also recommends the Institutions to adopt Best Practices in their Institutions. By participating in this initiative, the libraries will help their Institutions in achieving the desired outcomes in teaching, learning, research activities, etc. by providing access to vast information resources. It will immensely contribute in fulfilling the needs and requirements of the Users' Community.
6. We would like to mention that DELNET provides DELPLUS Software for library automation free of charge with membership. The software has modules including Cataloguing, Circulation, OPAC, Acquisition, Report Generation, etc. The barcoding can also be done in the software. The software is installed remotely by DELNET. Please let us know if you desire to use the software.

Please send us your library records (in excel or MARC format) to [sangskaul2003@yahoo.co.in](mailto:sangskaul2003@yahoo.co.in). Please mark a Cc to [sksinha@delnet.in](mailto:sksinha@delnet.in) and [khushal@delnet.in](mailto:khushal@delnet.in). For any technical assistance for data sharing, please contact Mr. Sanjeev Kumar Sinha, Associate Technical Services, Mob: 9810533743 and Mr. Khushal Giri Goswami, Network Assistant, Mob: 9717734478.
